DATA PROTECTION IMPACT ASSESSMENT

This document identifies all possible impacts of the processing of Offenders' personal data by the Scheme on the rights and freedoms of those Offenders.

The need for a Data Protection Impact Assessment

The Scheme processes data under the lawful basis of Legitimate Interest. This obligates the Scheme to conduct a Data Protection Impact Assessment and Balance of Interest Assessment to confirm the Scheme's lawful basis of Legitimate Interest.

Processing operations and purposes

The nature, scope and context of the Scheme's processing operations and processes are defined in the Scheme's *Record of Processing Activity*.

Consultation process

The Board of Management considers it inappropriate and impractical to consult with Offenders on this *Data Protection Impact Assessment*.

Necessity and Proportionality of processing

The necessity and proportionality of the Scheme's processing is defined in the Scheme's *Legitimate Interest Statement*.

Risk Assessment
